RUSSIAN CRUELTY

Fired on Men Struggling in the Water

THE WRECKING OF TRANSPORTS

The Russian Cruiser Gromoboi Reported Destroyed

Nagasaki, June 18th.—A report has been received here by way of Fuku Oku telling of the sinking of the Russian cruiser Gromoboi by two Japanese cruisers near the Ok Islands. The story is given on the authority of the crew of a merchant ship which has just arrived from the north.

Tokio, June 18th.—A survivor of the Sado, one of the Japanese transports attacked by the Russian squadron from Vladivostok on Wednesday, states that the British chief officer of the Sado went in a boat to parley with the Russians. They agreed to receive all non-combatants on board their vessels and gave forty minutes to clear the Japanese ships. However, the Russians afterwards declined to carry out the agreement and would receive only the British chief officer on board. Two cruisers, one on each side of the Sado, then torpedoed the transport in the neighborhood of her engines. The Russian warships retreated northward. When the Russians came across the transports they bombarded the Hitachi and practically annihilated the soldiers who were passengers on her. After the Sado had been torpedoed the Russian squadron shelled the Japanese who were struggling for their lives in the water and then steamed northward without making any attempt to rescue them.

Chefoo, June 18th.—Chinese refugees arriving here state that there are one hundred and ten thousand Japanese troops investing Port Arthur.

London, June 17th.—According to advices received at the Japanese Legation, from Tokyo, Vice Admiral Kamimura's fleet started on the morning of June 15th in pursuit of the Vladivostok squadron.

The Japanese Legation has received a despatch from Tokyo announcing that the Russian Vladivostok squadron was sighted off Ok Islands yesterday.

Tokio, June 17th.—It is reported in Meik that Admiral Kamimura is in pursuit of the Russian Vladivostok squadron and has sunk one of the enemy's vessels off Shimon.

Paris, June 17th.—The St. Petersburg correspondent of Le Matin reports that a naval battle is in progress near Tsu Island in the Korean straits.

Tokio, June 17th.—3.30 p.m.—A report has been received from the police station at Sasebo saying that sounds of cannonading have been heard off the coast. It is probable that the Japanese fleet has met the Russian vessels.

Tokio, June 17th.—11 a.m.—It is probable that the fog has saved the Vladivostok squadron again. Many rumors are extant of an action at sea but they are not confirmed.

The Russian ships were first sighted off Ok Islands at 8.30 a.m. on June 15th, by a patrol boat, which reported the fact to Vice Admiral Kamimura at an unknown base, who left in pursuit with his whole squadron.

FILED PLANS FOR NEW ROAD

The Canadian Northern Railway Co. Filed Plans Yesterday for a Road From Edmonton to Edison

Plans were filed in the land office here yesterday by the Edmonton and Slave Lake Railway Company for a line north from Edmonton for a distance of about 50 miles.

The following table shows the section on which the line enters each township en route, thus enabling the reader to judge of the general direction of the line:—

N. E. 1-33-25.
N. W. 6-34-25.
S. W. 4-55-25.
S. E. 4-56-25.
S. E. 3-57-25.
S. W. 31-57-24.
S. W. 6-58-23.
S. W. 1-59-23.

The plans show the line starting from a junction with the E., Y. & P. near the Groat estate, thence northwesterly to St. Albert and north to its termination in N.W. 35-59-25. The plans, profiles, and accompanying route book are signed by Wm. McKenzie as President, and M. H. MacLeod, Chief Engineer. As these gentlemen hold these positions respectively in the Canadian Northern, the new line is apparently designed as a portion of the C. N. R. system. The present plans extend about half way to Athabasca Landing, terminating near the Edison and Independence settlements.

Canadian Copyright Edition Mr. Winston Churchill's
New Novel

"THE CROSSING"

588 pages, seven colored illustrations Cloth, only \$1.50.

The author puts into a picturesque story of the peaceful conquest of the great Louisiana territory the whole American spirit of a very critical period. It was during the years covered by this vigorous novel that the country proved the depth and value of the ideals created during the times of which "Richard Carvel" gave so convincing a picture. The first chapters open with the days when the Carolinas were upon the frontier, and Andy Jackson was a red-haired boy, licked by the schoolmaster for fighting. They carry the hero, young Davy, over the Cumberland Mountains, to share the adventures of the famous leader and Indian fighter, George Rogers Clark.

BOARDS OF TRADE CONVENTION

Gathering of Representative Western Business Men in
Calgary

The following article on the first session of the Boards of Trade Convention in that city is reproduced from the Calgary Herald:

"A representative body of business men assembled this morning to inaugurate the first boards of trade convention of the Territories. Fifty-seven delegates were present when W. H. Cushing convened the meeting. From Winnipeg on the east, Nelson on the west, Edmonton on the north and Cardston on the south, came the ablest representatives of the West.

Probably a third of the accredited delegates had not arrived at the opening. Enthusiasm was most marked.

As Mayor Ramsay observed in his address of welcome the tremendous industrial significance of the convention was surely to be appreciated, as it is calculated to solidify for united action in all things that promise so much for Canada, the many enterprising business men of the Territories and not in the history of that vast section of the Dominion west of Winnipeg perhaps has a commercial congress fraught with so much importance to the best interests of the country been called together. Dealing as it does with the questions of finance, commerce and agricultural subjects of first importance in the promotion of the development of the west, the convention has at once assumed first place in the estimation of hundreds of practical business men all over the West.

The wide scope of the convention is evidenced by the presence of many staff representatives of the daily papers of Winnipeg, Toronto, Montreal, Vancouver, and even St. Paul. This is one of the substantial testimonials of the possibilities of the gathering.

ADDRESS OF WELCOME.

In greeting the visitors and outlining the purpose of the congress, Alderman Cushing said:

Gentlemen: I esteem it a high honor, as well as a great pleasure, to extend to this large and representative gathering the hearty greetings of the Calgary board of trade and to welcome you to our city.

In the month of January last year a letter was sent by the Calgary board of trade to as many sister organizations in the Territories as we had records of, inviting expressions of opinion as to the feasibility of holding a convention of delegates from such bodies at a central point in the West. Responses were received from many of these organizations favoring the proposal and Calgary was suggested as a suitable place for the first convention. The next place of meeting to be decided at each convention. These, in brief, are the events that led up to the Calgary board of trade taking the responsibility upon itself of calling this convention.

It would be difficult, to think I may say impossible, to estimate the value of a convention of this nature, representing as it does the business interests of a vast country with limitless possibilities and resources. We have with us representatives from Manitoba on the east and British Columbia on the west and from all parts of the Territories, which comprise the largest part of our great Dominion.

It appears to me that such an important gathering for the purpose of discussing questions that are of vital interest to all parts of the country we represent cannot help but establish a strong bond of fellowship between the business men of all parts of this vast country and materially assist us to acquire a broader, more intelligent and more sympathetic view of the commercial and economic disabilities each section of this vast country labors under and the difficulties that confront the various branches of industry represented in our midst. Under the circumstances, the deliberations of this convention should be a potent factor in helping to build up a solid and vigorous national life. While the commercial interests of any country may not be the greatest factor in the upbuilding of a nation, it is certainly one of the greatest, and requires the best consideration of the best minds the country can produce. There are many added to the questions involved in establishing a good, sound commercial life in a new country and I know of no better way to assist in this great work than for those who are engaged in trade and commerce to gather at stated periods for the purpose of intelligently discussing and considering ways and means to accomplish the end aimed at. With this object in view, the Calgary board of trade has now taken the first step towards organizing what we devoutly hope will become an annual event, second to none in importance in the West. Whatever the final

outcome of this action may be, it is extremely gratifying to the board that we have met with such a hearty response from all parts of the Territories as well as from Manitoba and British Columbia.

The committee on arrangements, of which I had the honor of being chairman, has now completed its work and has endeavored to be scrupulously careful to leave as much of the final arrangements with the convention itself as possible. You will presently be called upon to elect a committee on resolutions and procedure that will outline your final programs and make such other directions as are essential to the expedition of business and the preservation of order. In the meanwhile, the first step towards organization is the selection of a chairman, one or two vice chairmen and a secretary, into whose hands I then commit the convention. The chair is now open to receive nominations.

DELEGATES PRESENT.

Following were the delegates present at this morning's session:

Calgary—W. H. Cushing, J. J. Young, M.L.A., A. Allan, R. B. Bennett, M.L.A., A. E. Cross, C. W. Peterson, Dr. Lafferty, Mayr Ramsay.

Cardston—W. C. Simmons, Mark Spencer.

Didsbury—J. E. Stauffer, B. J. Smith.

Edmonton—J. H. Morris, T. W. Lines, Wm. Short, K. W. McKenzie, J. A. MacDougall.

Grenfell—John Walker.

Indian Head—A. McCaul, Jas. Conn.

Innisfail—J. E. Faudry, H. M. Stewart.

Lucombe—C. T. Daykin.

Lethbridge—M. Hartford, L. M. Johnston, Dr. McVicker.

Maple Creek—John Dixon, W. R. Abbott.

Medicine Hat—David Milne, Thomas Tweed, C. R. Mitchell.

Moos Jaw—Wm. Grayson, D. McLean, G. K. Smith.

Moosomin—E. M. Saunders.

Oxide—Geo. H. Cloakey.

Ponoka—Eugene Rhan.

Prince Albert—Judge McGuire.

Raymond—A. E. Moore, G. W. Green.

Red Deer—H. H. Gault, H. W. Laird, Jas. Balfour.

Wapella—Wm. J. Tudge, E. S. Zings.

Weyburn—T. H. Blacklock.

Strathcona—J. M. Douglas, Jno. McFarland.

Wetaskiwin—J. P. F. Fowler, H. H. Morgan, V. C. James.

Yorkton—J. A. Magee.

Golden—F. W. Jones.

Saskatoon—M. Talsier.

RESOLUTIONS PREPARED.

Mayor Ramsay addressed the convention briefly and on behalf of the city tendered them the freedom of the community. He declared the occasion pregnant with the cordial spirit of the west and predicted much substantial benefit to all the towns participating. He prefaced his remarks by alluding to the amazing industrial development of the Territories and expressing the conviction that the present activity in all business circles is a fair indication of the bright future of Western Canada.

R. B. Bennett of Calgary nominated Thos. Tweed, of Medicine Hat, chairman, and J. W. Morris, of Edmonton, and H. W. Laird, as vice chairmen. The motion was adopted.

The committee on resolutions is composed of:

John Walker, Grenfell.

W. McCaul, Indian Head.

H. M. Stewart, Innisfail.

M. Hartford, Lethbridge.

Judge McGuire, Prince Albert.

H. H. Gault, Red Deer.

R. B. Bennett, Calgary.

W. J. Tudge, Wapella.

The resolution committee held an unlimited session. An elaborate program was sifted and arranged.

It was moved by Thos. O'Brien, of the Golden board of trade.

Resolved—That in the opinion of this convention a duty of \$2 per thousand should be imposed upon American lumber entering Canada under such conditions and restrictions as will absolutely prevent any increase in price arising by reason of the imposition of such duty as aforesaid.

A resolution was favored introduced by D. T. Daykin, of Lucombe, that the government stock certain lakes of the North West with white fish, Buffalo, Gull, Pike and other lakes in Alberta were included.

W. J. Tudge, of Wapella, urged that every man having the best interests of the country at heart should try to keep out of the convention all politi-

MADE BRIEF STAY

C. P. R. OFFICIALS IN TOWN

Last Night's Public Meeting Failed to Materialize. May Have Earlier Train

Acting on a telegram from J. H. Morris, president of the board of trade, from Calgary yesterday, Secy. Time called a meeting for last evening in the council chamber to meet W. Whyte, second vice president of the C.P.R., and other officials of the road who came north yesterday. The telegram indicated that it was desirable to have a gathering of representative business men and notice was given through the press inviting the council, the board of trade and business men generally to be present. It was generally thought that some matter of public importance was bringing the officials here and at the hour appointed a quite a number turned out.

It was then found out that the meeting was not to meet. Mr. Whyte, accompanied by R. R. Jamieson, Supt. Nickel, J. B. Dennis and W. E. Brooks came in on a private car attached to the regular. They drove over to Edmonton, calling at the club for a short time, and returning to Strathcona, whence they left by special train for the south at 8 o'clock.

General regret was expressed on the street last night that the hitch in the arrangements had occurred.

Seen this morning in regard to the visit of the C.P.R. officials to Edmonton last night Mr. J. H. Morris could not say what the purpose of their visit was.

During their stay in Calgary and on the road up the Edmonton delegates returning from the Board of Trade convention took the opportunity of placing before Mr. Whyte some alterations in the C. & B. service calculated to be of benefit to this district.

Mr. Whyte took a favorable view of the suggestion for an early train and it is believed the schedule will be altered to allow the north bound to reach Strathcona an hour earlier. This would enable people in town to get mail before going to dinner, as well as giving visitors to town from along the C. & B. an hour longer stay. It is probable too that a chair car, or a combination chair and buffet car will be put on the run. A night train was thought to be premature.

With reference to the construction of a high level bridge the case in favor of such was strongly presented to Mr. Whyte and after considering the question seemed more favorably impressed toward the matter than previously.

Strathcona News

From the Plaindealer:

W. L. Wilkin and bride arrived at Strathcona on a special train Sunday evening last. They remained here visiting friends on Monday, and on Monday evening a dancing party was given in their honor in Ross' hall. On Tuesday Mr. and Mrs. Wilkin left for their home at Fort Saskatchewan.

The annual meeting of the teachers' institute for Strathcona district was held in the Grandin street school on Friday and Saturday last, being conducted by Mr. McColl, principal of Regina Normal school, and L. H. Bennett, teacher of manual training. Despite the wet weather of both days, this was the largest attended meeting yet held by them, some 45 teachers being in attendance. An interesting collection of pictures, drawings, plasticine cardboard and plaster of Paris work done by the pupils and teachers of the Manual Training department of the Normal, occupied the walls and tables of one of the class rooms.

Mr. A. G. Taylor of Vegreville, had a narrow escape from fatal poisoning on Saturday last. He had a number of horses at Wainwright's stables and was there looking after them. He was suffering from a slight cold and had purchased a bottle of cough medicine for it. By way of horse medicine he had a bottle of acetic, similar size. Shortly after eating dinner, on returning to the stable, Mr. Taylor proceeded, as he supposed, to take a dessert spoonful of cough medicine, but to his horror on swallowing it, he found he had taken from the wrong bottle, the acetic. Knowing that it was deadly poison he had imbibed and that it would act very quickly, he was alarmed. He told Mr. Wainwright and together they hurried to Dr. Watson's office. Dr. Watson at once administered emetics and did all that medical science prescribes in such cases, with the happy result that Mr. Taylor's life was saved and he is as well today as ever.

FRATERNAL PAINTERS' UNION.

Local Union No. 1016, of the Brotherhood of Painters, Decorators and Paper Hangers of America, meets every Wednesday evening at 8 p.m., opposite Windsor hotel, First street. F. W. Trerret, Secretary.

To the Public

Having sold my dental practice and good will to Dr. Lowther and Robertson, I wish to thank my numerous patients for their patronage in the past and ask them as a matter of personal interest to extend the same to my successors as I consider they have no equals in the West and few superiors anywhere. Dr. Lowther has been associated with me for some time both here and in the East. If a brilliant college course in one of America's greatest dental schools, if honesty, sobriety and skill count for anything, then I have no hesitation in recommending Dr. Lowther and Robertson to my friends. Sincerely yours,
A. A. MACINTYRE, D.D.S. D.D.S.

MARINE ESTIMATES

ARE UNDER DISCUSSION

The Senate Discussing the G. T. P. Railway Bill on the Second Reading

Bulletin Special Dispatch.
Ottawa, Ont., June 17th.—The marine estimates were under discussion to-day. The papers in the Dundonald case are printed and before the House and the case will be discussed next week.
The Senate is discussing the Transcontinental Railway Bill on the second reading. The vote will take place next week.
McArthur the C. N. R. contractor, is here.

NEWS OF THE WORLD

IN BRIEF PARAGRAPHS

Condensed Dispatches Dealing With the Day's Most Important Happenings.

Winnipeg, June 18th.
The Winnipeg crew has sailed for Henley.

Lady Uncas won the Coney Island Handicap.

The Kirkfield stable will race at the Dominion Fair.

The G. T. P. alien labor commission held a sitting at Regina.

The body of a baby was found under a Morden sidewalk.

Fort William will probably have another elevator this season.

The high pressure continues at the Medicine Hat gas gusher.

Donati convicted of manslaughter at Port Arthur was sentenced to ten years.

The Sisters of Our Lady of the Missions will erect an asphragite at Brandon.

Ther, of France, won the Gordon-Bennett Cup, defeating Jenatzky, last year's winner.

The number of candidates for the Royal Military College greatly exceeds the accommodation.

Winnipeg building permits for the present season may reach \$10,000,000.

The Rat Portage Lumber Company's planing mill, sash and door factory, and 10 dwellings were destroyed by fire. The loss is \$140,000.

In the Dominion House of Commons Sir Wilfrid Laurier announced the principal legislation the Government proposed introducing this session. The estimates of the Department of Marine and Fisheries were considered.

The Canada Eastern is to be purchased and operated as part of the I. C. R.

DENNIS PROMOTED

ASSISTANT TO MR. WHYTE

Former Deputy Commissioner of Public Works Rises in the C. P. R. Service

Bulletin Special Dispatch.
Calgary, June 18.—The announcement is made that J. S. Dennis has been appointed assistant to Mr. Whyte, second Vice-President of the C.P.R. The appointment means much to the business interests of Calgary and will bring the higher officials of the company in closer touch with the higher officials of the company.
Mr. Dennis' headquarters will be at Calgary.

Burglar Shoots a Constable

Sault Ste. Marie, June 18th.—Provincial Constable John Irving of Sault Ste. Marie was shot while arresting a burglar on a local train at that place and died a few minutes later. The burglar's name is Chartrand and he is still at large.

B. C. Loggers Want Duty Removed

Vancouver, June 18.—The loggers of British Columbia are having a monster petition signed asking the government to take off the export duty on logs to the States. They say that all their camps will be closed unless this is done, throwing 50,000 out of employment.

HEAVY LOSSES

IN RAT PORTAGE FIRE

A Boiler Explosion Results in a Blaze which Destroys Sash and Door Factory and Many Residences

Bulletin Special Dispatch.
Rat Portage, June 18.—One of the worst fires in the history of the town, which at one time threatened to wipe out the greater portion of the business district, occurred yesterday. Fire broke out in the Rat Portage Lumber Company's sash and door factory and was caused by a boiler explosion. A rough estimate of the losses to the lumber company is \$105,000, and with residences and private property, a further \$20,000 loss.

Ten carloads of glass, for the most part fancy and stained, were all destroyed. It will take two weeks to rebuild the tramway and put the mill in working order. In the meantime 150 men are out of work. Four cars were burned. Residence and property owners who suffered most were Messrs. McGregor, McKinnon, M. Cardinal, N. McPhail, S. Fitzgerald, Engineer Young, Conductor Crowe, I. M. Cardinal, Conductor Kay, J. Sinclair, F. Taylor, G. Sims, J. Ross, George Archambault and Max Heap.

RTA COLLEGE

At the meeting of the Conference of the Methodist Church in Winnipeg this week Rev. T. H. Heustis presented a report from Alberta College, Edmonton. The college was organized in October, 1900. Mr. Heustis presented a curriculum of Manitoba University. Rooms were fitted up in the Masonic Temple, and steps were taken to erect a building for the college. The year was closed with 73 students, 15 in arts, 55 in business, and 25 in music and education. Mr. Heustis presented a report of the Saskatchewan. The year was closed with 73 students, 15 in arts, 55 in business, and 25 in music and education. Mr. Heustis presented a report of the Saskatchewan. The year was closed with 73 students, 15 in arts, 55 in business, and 25 in music and education.

The committee appointed to consider the standing of Alberta College handed in their report in which it was recommended that the board of Wesley college, and the conference should release Alberta conference from any assessment for Wesley college, and that the sum of \$1,000 should be contributed for two years to Alberta college from funds raised in Manitoba for educational purposes.

Dr. Sparling moved that on behalf of the Wesley college board of directors that tender be made to Alberta college be exempt as requested.

This was put to the meeting and carried unanimously.

EDISON

Bulletin Correspondence.

The weather here has been perfect for the last few weeks, though for two days we have experienced quite a storm, the rain being very heavy.

Arthur Edger has had a box and has put up a really fine house; the boys were got out last winter and sawn on two sides at the mill.

There have been two or three fishing excursions here lately both to the Vermilion and the Pembina rivers. The fishermen had good sport.

The Presbyterian minister, Mr. Johnson, who preached here during last fall and winter, has gone to British Columbia. His place has now been taken by Mr. Macgregor who has lately come out west from Toronto.

We are most deeply grieved to hear of Mr. Hugh Knott's loss. Miss Knott who was known to but few of us had lately come out from Buffalo, N. Y., and had taken up residence in Edmonton. She had intended paying a visit to her father and brothers who are located here, but it was not to be; like so many of our brave nurses, she has gone this time to all deeds, giving us her life to save another. We here on the prairie one and all, express our deep sympathy with Mr. and Mrs. Knott and family.

Seeding is, of course, all over now, and everything is looking very well. We are to have a new engine in the city.

IT PAYS

The Lumber Question

A correspondent in the Toronto Globe writes:

To the Editor of the Globe: There has been a good deal said lately about the lumber combine in the west, and British Columbia lumbermen are saying quite as much, if not more, about American lumber coming into Canada. These same British Columbia lumbermen have formed a "Mountain Lumber Manufacturers' Association," and people reading in a town where any member of this association operates a mill must buy nowhere else but from that mill, and take what the manufacturer has a mind to give them, whether it is good, bad or indifferent, in this town chiefly bad or indifferent, boards charred as ten inches only measuring 9, 9 1/4 or 9 1/2 inches in width, sometimes running to a feather edge at one end in thickness. Shiping commonly has "at least" one in flooring about ten per cent, without either a tongue or groove part of the length and bark edges on quite a lot, with an occasional knot-hole. Competition is completely shut out of towns blessed (?) with a lumber mill.

In September, 1903, the owner of the sash and door factory in Golden wrote to the Harbor Lumber Company of Revelstoke, B.C., (90 miles away) for clear cedar, which the Columbia River Lumber Company mill in Golden does not manufacture. The reply reads as follows:

"Mr. W. L. Houston, Golden, E.C.:
"Dear Sir.—Your favor of Sept. 2nd, addressed to Fred Robinson Lumber Company, has been received. We regret very much we are unable to ship you the clear cedar as ordered. We do not sell to anyone but dealers, and then only in carload lots. Yours truly, Harbor Lumber Company, Limited, J. R. McCleery, Secretary-Treasurer."

Note the fact that those living in Revelstoke can buy 100 feet of clear cedar from the Harbor Lumber Company if they want it. In 1903 the Golden and East Kootenay Trading Company commenced building their new store, a frame building, with close on 200,000 feet of lumber in it, the Columbia River Lumber Company supplying the lumber for the building. When the manager of the Trading Company, Mr. A. Hume suggested getting cedar from the coast for finishing the interior of the building, the secretary-treasurer of the Columbia

River Company informed him "that unless he got all his lumber through the Columbia River Lumber Company they would not sell him a board."

Priests for lumber here are about as follows: \$14 to \$16 per thousand feet for common lumber, \$18 shiping, \$20 to \$40 flooring. At that date we were not aware that a Victoria firm could and would supply lumber at a price and of a quality the Columbia River Company could not touch.

On May 11th, 1904, the new building was burned to the ground. In the interests of the Trading Company I wrote to the Okanagan Lumber Co. at Enderby, B. C., for prices of all kinds of lumber, stating that from 200,000 to 300,000 feet would be required and asking for cash prices delivered here. As the Okanagan is a new mill, fitted with hand saws and latest improved machinery, just getting down to work when I last passed through there at Easter, I thought lumber could be supplied at shorter notice and lower freight rate than from the coast. I received a reply that a price list would be forwarded in a few days, or as soon as the C. P. R. gave them a freight rate. After waiting two weeks for this list I wrote again and received the following reply:

"Enderby, May 25th, 1904.

"W. J. Gould, Golden, B.C.: Dear Sir.—Owing to the Mountain Lumber Manufacturers' Association it will be impossible for us to supply you with lumber of any description. We are very sorry we had not this information when we last wrote you. Trusting that you will be able to procure lumber elsewhere, we are, yours truly, "Okanagan Lumber Co. Limited."

Some of the members of the Dominion government have denied the fact that there is a combine in British Columbia. They do not have to go far for proof that there is an association in British Columbia that is conducting business on combine principles. Aulay Morrison, M.P. for New Westminster, B.C., stated in advocating protection for British Columbia lumber mills that there was no combine. It is to be hoped that the assurance of the facts is the excuse of the other Liberal members advocating in the House a policy directly opposed to the platform on which they secured their election.

Last year the Dominion government expended \$3,000 on improvements in

the Columbia, so the Columbia River Lumber Co. could use a back channel to drive logs to Beaver. Settlers did not even get a chance to tender for the piles required for these improvements which are for the exclusive benefit of the lumber company. This year the government is doing the same thing over again on a larger scale: \$5,500 has been allowed for improvements on the Columbia River between Golden and Beaver, and \$5,000 at Salmon Arm, for the sole benefit of the Columbia River Lumber Company.

FARMERS COMPLAIN

ABOUT THE NAMAO ROAD

Farmers in the Districts North of Town After the Territorial Government

Mr. Jas. L. Allan of the Sturgeon, was in town yesterday. He reports that the farmers along the Sturgeon and in the other settlements north of town whose road to town is the trail running north to Namao, are feeling very sore at the action of the Territorial government at the manner of disposing of the dirt from the large ditch which the Territorial government is digging to drain Favel's lake. The earth taken from the ditch instead of being spread evenly over the road, was simply dug out and dumped in the middle of the drive way. This forced those using the road to drive in the ditch on the west side of the track. The farmers most affected have turned out and besides doing their road work, have put in considerable gratuitous service trying to reduce the road to a passable condition, but as the ditcher is working steadily along and piling the earth in the road nothing of a permanent and satisfactory nature can be done by them.

The earth piled in this manner last year formed a most efficient dam this spring, preventing the water from reaching the ditch and backing it up in the only part of the road left to travel on. The consequence was a succession of mudholes and bogs through which the farmers were forced to flounder on the road to and from town, to the damage of vehicles and horses and the loss of time. One gentleman living only a few miles from town, though having a good team, was hung up on the road hours with a load of seed oats, and forced to sleep all night in a haystack. Mr. Allan also found great difficulty in getting into town on Wednesday with an excellent team in good condition and a moderate load.

The matter is further complicated by the fact that no bridges have been put in across the ditch, and those having business on the opposite side

must make a wide detour. In doing so last year Mr. Allan on one occasion lost a splendid horse valued at \$125. This place is now being bridged, but though only a narrow spot it was thought necessary by those in authority to drive piles, at considerable unnecessary expense and build a regulation bridge where the requirements called for a well built culvert. Delay was caused in waiting for the driver, while the farmers of the district were circumventing the canal as best they could.

The farmers of the districts affected, who are naturally the parties most interested, are taking measures to make known to the Territorial government their opinion of the bungling way in which this matter has been handled and to secure, if possible, a relief from the disadvantages under which they are laboring. They are accordingly circulating a memorial to the government of the Territories, calling their attention to the matter and asking that something be done to make the road at least passable and to make it possible to cross the ditch with a reasonable detour. The local M.L.A. has been approached on the subject, but so far nothing has been done.

The road is one of the most important in the country, being the channel of communication between the town and one of the most thickly settled and progressive parts of the district.

The Society Woman

Though hurried and rushed in society's whirls,
Her complexion is rosy and fresh as a girl's.
Well she knows, though she dances far into the night,
"Abbey's Salt" in the morning, will make her all right.

Society people recognize the value of ABBEY'S SALT as a health preserver and complexion beautifier. ABBEY'S SALT takes away the baneful effects of hasty, irregular eating—overcomes the ravages of late hours and bodily fatigue.

ABBEY'S SALT is a gentle, mild, yet perfect tonic laxative. It regulates the stomach and bowels—keeps the blood pure—the eyes bright—and the skin fresh and beautiful.

Abbey's Effervescent Salt
IS NATURE'S BEAUTY DOCTOR

Is an elegant oil dressing, that keeps shoes fresh and bright with the least possible effort. It oils the leather—prevents it from cracking—keeps shoes waterproof.

2 in 1 is a Paste, shines easily and quickly, and puts a shine on shoes that dust, sun and dampness can't affect. It won't rub off on the clothing—makes shoes look better and wear longer.

Sold everywhere

boxes and 15c tubes

LOCAL

—Train on time.

—The next Board of Trade convention will be held in Regina.

—The Grandview have put on a free bus to meet the train.

—W. H. Ball has opened a meat and provision market on First street north of Clark's ash and door factory.

—The Apollo orchestra give a promenade concert in the rink theatre on Monday evening.

—The executive of the Young Liberal Association met in Taylor & Boyle's office last evening.

—In a telegram from Montreal Rev. D. G. McQueen said he was leaving yesterday to attend the Pan Presbyterian council in Liverpool.

—"My Friend From India" will be put on in Robertson Hall on Friday and Saturday evenings next by the Operatic and Dramatic association.

—The first fire loss sustained by the Alberta Mutual Fire Insurance Company, occurred at the farm of Mr. Brain, Leduc, was promptly paid.

—At the Presbyterian church tomorrow evening, Rev. T. A. Rodgers preaches specially to young men. Special music will be provided by a male choir.

—"The True Method of Advancement" will be the subject of Pastor McDonald's address on Sunday evening in the Baptist church.

—The offices of the Alberta Herald are today being removed from the Bulletin block to the building erected by Mr. Koorman on Namayo avenue.

—On Sunday last His Lordship Bishop Legal, of St. Albert, was in Macleod on his annual visit. High Mass was celebrated after which His Lordship gave a most instructive and spiritual sermon. Addresses were presented by the congregation and C. M. B. H., to which His Lordship made a suitable reply. Many worshippers from the country were present. His Lordship left for the Blood Reserve on Monday.

—Macleod Advance: Col. S. B. Steele, C. B., commanding B. Division of the South African Constabulary, writes that he is in good health. The colonel has decided to remain two years longer in South Africa. His headquarters are at Pretoria. Recently his men swooped down on a band of 270 Boer rebels under Durrant, the conspirator, and captured 70 of the number. They were taken to Pretoria, where it was intended they should be tried for high treason, but the charge was subsequently amended to breach of oath. The colonel is enjoying himself, and desires to be remembered to all his old Canadian friends.

—Free Press: Canadian Northern railway detectives are at present engaged in an endeavor to discover who is responsible for the disappearance of nearly \$600 from a parcel which was expressed from Port Arthur to the company's head office some days ago. It is said that at Atikokan the package was in order and that the money was abstracted between that point and Winnipeg. The detectives are making an effort to discover whether that was the case. Local officials decline to make any statements regarding the matter.

PERSONAL

G. A. Gouin and W. S. Robertson are at Moriaville today.

Mayer Short returned from Calgary last night.

R. Hare of Beaver Hills came in last night from Winnipeg.

K. W. Mackenzie came back from Calgary last night.

J. H. Morris returned from Calgary last night.

Professor Mavor, of Toronto University, is spending a few days in town.

H. H. Morgan, Wetaskiwin.

NO BASE BALL MATCH

The heavy rain last night put an end to the baseball match which was to have been played on the exhibition grounds. The storm evidently reached Strathcona, as the team from the southern town did not appear and did not offer any explanation for their absence. The game will probably be arranged for a date early next week.

CHILDREN'S DAY SERVICE

There will be an interesting program at the Children's Day service in the Methodist church on Sunday evening next at seven o'clock. Choruses and other exercises in keeping with the occasion by the members of the Sabbath school, an anthem by the choir, and floral decorations will be special features. A cordial invitation is extended to all.

HEAVY RAIN

The heaviest shower of the season up to date occurred last evening. It was of comparatively short duration, but was exceedingly energetic while in progress. The rain fell in torrents, driven by a strong wind from the northwest, while bright flashes of lightning, accompanied by an almost continuous roll of thunder added to the excitement.

OPERA ANNOUNCEMENT

One of the features of the fair week at Edmonton will be the appearance of the "Beggars' Prince" Comic Opera Company at the Theatre Rink for five nights beginning Monday, June 27th. There will be a highly charged bill. "La Mascotte" has been selected for the first night. The company makes a special feature of costumes for the various operas. All the costumes are rich and appropriate.

PROBS

The temperature was over 80 in nearly all parts of the Territories yesterday. Cooler conditions are likely during tomorrow.

Musical Instruments

Have a peculiar charm for us. When we hear the sweetest strains of the mandolin and violin our hearts are thrilled with their joyful message and sorrows are for the time forgotten. "Music hath charms" certainly is as true as the gospel. Without instruments of some sort your home is lacking one pleasant feature. Why not purchase a mandolin now? We have a number of these instruments to offer at prices within your means. Call at our store and look over our musical instruments.
